What we're looking for

Beds	2 (one guest room for grandkids)
Bathrooms	2
Type	Rancher-style townhome, or condo with elevator — no stairs
Area	Murrayville or Willoughby, close to daughter in Walnut Grove
Price	Up to \$650K, flexible if it's the one
Age	55+ building preferred, not required
Other	A small patio for potted plants would be lovely

This week's matches

22045 Old Yale Rd, Murrayville

55+ rancher-style townhome · 2 bed · 2 bath · 1,180 sqft · 1 parking · ground-floor patio · no stairs

\$599,900 (down from \$618,000)

Still your best fit — hits the 55+ preference and the patio you wanted. Price just dropped, so there's even more room under your budget now.

Worth a second look

Outside exactly what you told us, but close enough that we didn't want to leave it out.

4890 207 St, Willowbrook

Ground-floor duplex · 2 bed · 2 bath · 1,150 sqft · 1 parking · patio · no stairs

\$605,000

You named Murrayville and Willoughby, not Willowbrook — but it's right next door, and this one checks every other box.

A note from Jas

Grace — good news on Old Yale Rd, they just dropped the price to \$599,900, so it's now nicely under your range. Still no stairs, still that little patio you wanted. Want to go see it this week before someone else does? Also found one in Willowbrook worth a look if Old Yale doesn't work out — just outside where you said, but it ticks every other box.
