This week's matches

8890 217B St, Walnut Grove

House · 3 bed · 2 bath · 1,950 sqft · fenced yard · double garage

\$859,900 (down from \$874,900)

Still a strong fit for the Walnut Grove side of your comparison. Price just dropped — helpful news given your budget is still soft.

21344 80 Ave, Willoughby

House · 4 bed · 3 bath · 2,510 sqft · fenced yard · double garage · built 2021, move-in ready

\$945,000

New this week, and it hits everything — 4 bed, fenced yard, and genuinely move-in ready. It's \$45K over your rough \$900K target, but you said not to hold you to that number, so flagging it anyway.

Worth a second look

Outside exactly what you told us, but close enough that we didn't want to leave it out.

21980 48 Ave, Murrayville

House · 3 bed · 2 bath · 1,890 sqft · fenced yard · double garage · built 2018

\$839,900

You've only been comparing Willoughby and Walnut Grove so far — this is a third option in Murrayville, under budget, that fits everything else. Not assuming you want to widen the search, just don't want to leave it out.

No longer available

6215-208 St, Willoughby — your original Willoughby match — no longer listed, likely sold or under contract

A note from Jas

Marcus, Elena — a few updates. Heads up, the Willoughby house you liked looks to be gone, probably under contract. Good news though: the Walnut Grove one just dropped to \$859,900. And I found a new one in Willoughby — 4 bed, move-in ready, fenced yard — it's \$945K, a bit over where you'd ballparked, but you did say that number was soft, so wanted you to see it. Want to tour the Walnut Grove one and the new Willoughby one this weekend?
